Your application was selected for review in a process called *Verification*. In this process, your Financial Aid Counselor will compare information from your FAFSA with your (and your parents' or spouse's) actual tax return data, income and asset information. The law states we have the right to ask you for this information. If there are differences, the financial aid office must correct your FAFSA which may affect your financial aid. Complete this worksheet and submit it to Erwin's financial aid office as soon as possible to avoid delays in processing your financial aid.

What you should do:

2. Complete and sign this worksheet:
 - a. Dependent students: you and the parent who signed your FAFSA
